

CHILE CON QUESO DIP

Yoakum Family

Ingredients

- 2 tbsp. real butter (sliced)
- 1 lb. box Velveta process cheese food (sliced)
- 1 (8 oz) container sour cream
- 1 (10 oz) can Ro-Tel tomatoes & chilies
- 1 tsp. garlic powder
- ½ tsp. kosher salt

Instructions

1. Combine all ingredients in a crock pot or non-stick 2-quart saucepan. Warm over low heat, stirring often, until melted and smooth. Dip will thicken when cooled.

Note: Serve this dip with your favorite chips or dipping veggies. If you prefer hotter, spicier dip, use Hot Ro-Tel (I like the milder version better!)
